1985-86 High School at last!!

A new class entered Stoughton High, and our first set of officers boasted Brian Graber, president; Kim Barry, vice-president; Stacey Piselli, secretary; Julie Westcott, treasurer.

The swim team defeated Canton for the first time. Hockomock League championships were claimed the field hockey and (boys) cross country teams. The first Halloween party was a gift by our class to the town of Stoughton and its kids. The class entry in the Spirit Hall competition was *Toy Store*. The class fundraiser was the sale of hooded SHS sweatshirts.

The school musical was *Hello, Dolly*. Alternate Infinity, the science fiction club, made its debut at SHS, and the marching band participated in NESBA for the first time.

On the world front, the Statue of Liberty celebrated her 100th birthday. Great musical and charitable events were *USA for Africa* and *Live Aid* concerts to help the needy of the world. We were horrified by the Challenger accident bringing disaster to an entire crew of astronauts, including teacher Christa McAuliffe. AIDS became prominent as a fearful plague with the news that actor Rock Hudson had died from the disease.

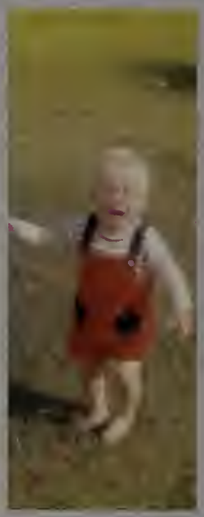
In Massachusetts, we were hit by Hurricane Gloria; many of us had no electricity for days. On a more positive note, the Celtics were NBA champs, and the Patriots made it to the Super Bowl.

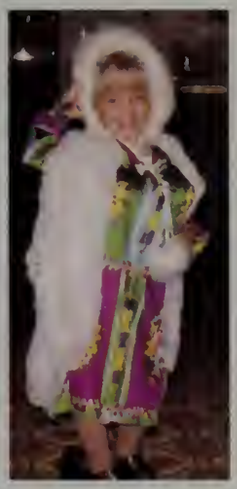
As our freshman year came to a close, we were excited about not being consider the "little kids" anymore.

We are funny funny freshmen . . .

5.1.90

"boundless and sublime . . . the Image of Eternity"





image, imij, n
A representation of any person or thing, sculptured, painted, or otherwise made visible.

We all have different images of people. What some perceive as "dumb jocks" others perceive as "talented athletes", others perceive the "class nerd" as the "school scholar" and still others think that the "band geeks" are "gifted musicians" and the "dipsy cheerleaders" are "strong supporters".

Our bittersweet years at Stoughton High unfold on the following pages, from our Freshman fears to our Senior successes. These images blend with reality in our journey towards maturity.

Whatever our images are of ourselves and our peers, they will be left behind with our passage into the "real world". The 1989 Stotonian is dedicated to preserving these images.

'What is the use of a book,' thought Alice, 'without picture or conversations?'

We're no longer little Frosh . . .

1986-87: We begin our second year with a new president, Stacey Piselli, and a supporting ctew of Kim Barty, vice-president; Ctisten Herlihy, secretary; and Julie Westcott, treasuter.

The boys basketball and field hockey teams were league champs. Tina Rettman was named a Hockomock League all-stat in Cross-Country. The second annual Halloween party was a success. The class Spitit Hall theme was the *Wizard of Oz* and, as a fundtaiser, SHS sweatpants and sweatshitts were sold.

The students vs. teachets basketball game was well attended. The musical for 1988 was *Once Upon a Mattress*. Student Council sponsored a lip-sync/variety show.

The nuclear meltdown in Chetnobyl (Russia) scared the world. On the good side was a successful year in spotts for Boston fans. The Red Sox made it to the World Seties, the Bruins made it to the playoffs, and the Celtics were division champs.

We wete no longet underclassmen. We now looked forward to giving freshmen wtong ditection to the mythical elevator, and we could now pick semestet courses and get to keep (ot discard) teachets aftet a half year.

We are silly, silly sophomores . . .

Junior bound

"A picture has been said to be something between a thing and a thought."
(Samuel Palmer)

There are two sides to every coin. Students today at SHS are no exception. During the school day, our academic image reveals itself. But when that 2:09 bell rings, that image is put away and our imprisoned inner selves are are released with those of our friends, and the other side of our personality comes out.

The camera captures forever the images of these alternate moments.

"The age demanded an image."
(Ezra Pound)

"Best image of myself and dearer half . . ."
(JOHN MILTON)

Wow! Underclassmen at last

Our junior prom was held on Friday, May 13, 1988. Despite the "fearful" date, we felt anything but unlucky as we danced to the theme "Faithfully" at Lantana's. Crowned as king was Steve Tierney. The queen, Stacey Piselli, was also class president. Here fellow officers included Julie Westcott, treasurer; Jennifer Crosscup, treasurer; and Cristen Herlihy, secretary.

Juniors named as MVP's for their sports were Cris Herlihy, gymnastics; Jon Freeman, wrestling; Chris Melendy, golf. The swim team won the state mixed-sex championship and the football field got lights!

The class chalked up another success with its third annual Halloween party. Class theme for Spirit Hall was *Medieval Castle*. We did the "normal" junior activities, agonized over PSAT's and SAT's, wore our class rings (finally) and were allowed to join National Honor Society. Many participated in the Intramural Writing Contest; national nominees were Beth Hottinger and Brian Graber. Class fundraiser involved the selling of keychains.

The old Winter Dance was joined by the new Hawaiian dance. The annual musical, *Guys and Dolls,* starred Jim Lewin in a leading role, with supporting role by Kevin Mischley and Kristina Seferian.

The Dow Jones Industrial stock average dropped a record 508 points between October 12-19. At the same time, a 24-day NFL strike ended with victory for the owners. AIDS had killed nearly 25,000 people since it made its appearance just a few years before, and was proclaimed "Public Health Enemy #1." The news was filled with Iran-Contra hearings, and Oliver North was definitely the name on everyone's lips.

We were concerned with what was happening in the "real world" but mainly we were waiting for the day we were Seniors and the only disease we wanted was called "Senioritis."

We are jolly jolly Juniors . . .

. . . Senioritis is in . . .

"By means of an image, we are often able to hold on to our long lost belongings."
(Colette)

Years from now when our years at SHS are just fond memories and friendships have faded like old photographs, the STOTONIAN will preserve the images of the Class of '89, a class which accepted many challenges, winning numerous success, together with a few defeats.

Although we cannot stay together forever, we will remain forever in spirit through this latest edition of the Stoughton High yearbook.

Each class is unique and leaves its imprint on the high school. We would like to be remembered at Stoughton High as the class that lived and laughed.

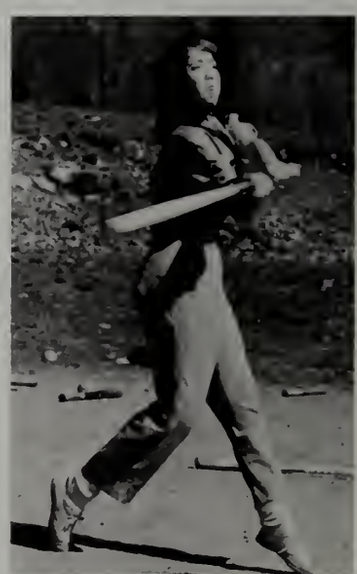
". . . give the image of what we actually see, forgetting everything that has been before our time."
(PAUL CEZANNE)

"... these images are deposits representing accumulated experience"

(JUNG)

IMAGES OF THEN

The styles may have been different, but the activities (and spirit) were the same.



IMAGES OF NOW . . .

We wonder how we will look to the STOTONIAN reader of 2015?

SPORTS

WE DEDICATE the Sports Section of the '89 STOTONIAN in honor of three teams which played n the state tournaments: field hockey, baseball, and softball . . . WE PAY TRIBUTE to the seven eams who enjoyed winning seasons: field hockey, boys indoor track, wrestling, baseball, softball, oys spring track, and girls tennis . . . WE SALUTE all participants in Stoughton High athletics: Boys, girls, freshmen, jayvees, and varsity; they're out there every day, rain or shine, winning or osing, displaying true school spirit by representing Stoughton High with honor and determination . . There may be losing records, but there are *no losers* in schoolboy sports . . .

BOYS CROSS-COUNTRY

The boys cross-country team finished with a league record of 2-6 in the fall of 1988. The team's final record of 34 (wins), 42 (losses) was greatly helped by the ever-important pack. MVP Adam Kempner led the pack the entire season. Following closely in his footsteps was Doug Frisoli, a very consistent runner.

Saurin Patal turned out to be a freshman sensation, and ended up as the team's #3 runner. Finishing 4-7 in the pack were John Lydstone, Jeff Kempner, Dave Grant, and Sean Houghton.

Seniors who will be missed next year are Jeff Kempner, Dave Grant, and Justin O'Leary.

CROSS COUNTRY

The 1988 girls cross-country team finished their season with a 3-5 record. In the League Meet, they finished 5th overall, managing to beat Canton, to whom they lost by two points during the season. During the season, the team travelled to Franklin Park three times for the Catholic Memorial Invitational, the State Track Coaches Invitational, and the Eastern Mass. Trials.

Throughout the season, Tina Rettman was the number one runner for the team. As captain, she helped Coach Lupica promote unity and team motivation. Tina won four meets and finished in the top five in the other four league meets. In the League Meet, she finished 13th overall and was named team MVP.

Jen DeLuca was awarded the Most Improved plaque. She began the season as the #5 runner and finished as the #2 runner. Cheryl Lydstone was awarded the Coach's award for extraordinary character. Awards were also given to four runners for their top performances at the grade level. Rettman and McGarry won the senior and junior awards, respectively, Katie Leahy and Amee Harrison, won the sophomore and freshmen awards.

FOOTBALL

The 1988 SHS football team was probably the most competitive team with a losing record that the school has ever seen. Led by captains Terry Stead, John Freeman, and (league all-star) Matt McKinnon, the Black Knights played a competitive, aggressive, and exciting brand of football that resulted in three wins.

On opening night the Black Knights defeated Masconomet Regional 35-7 behind Mike Lee's outstanding running. Other wins include a triumph over Sharon 25-12 with Dave Sheppard showing excellent leadership at the quarterback position, and a win over Mansfield 23-7 as John Pitta proved to be a dynamic offensive force. All the team members contributed a great deal to what coaches Ashley and Cotter consider a successful season mainly due to the special leadership by seniors.

The junior varsity team, led by coaches Gammell and Mongiat collected only two wins but played well in defeat. The future looks promising based on the performances of standouts Keith Callahan and Matt Syrek.

Coach Campbell's freshman squad garnered only one win but learned a great deal about high school football. Kirk Fredericks, Chris Kane, and Elvin Morales contributed with fine first year performances.

Dave Sheppard (11) lines up behind center Marc Leger (66) and offensive lineman Ryan Love (71), John Freeman (51), and Mark Mischley (55).

Mike Lee (35) moves behind Sheppard.

FIELD HOCKEY

The varsity field hockey team finished the season with a record of 13-1-2 and a capture of the Hockomock League championship. No one thought they'd be able to do it, having lost their leading goal scorer from the previous year. By working hard, setting aims high, and putting out great effort, they did it with a great team effort.

For the sixth consecutive year, they team qualified for the state tourney. They won their first game against Hingham 2-0, but lost the second to Dennis-Yarmouth in overtime 2-1.

Leading scorer was all-star junior Colleen O'Connell (13 goals, 8 assists) followed by Stacey Beaton, another junior (12 goals, 2 assists). Goalie Kim Bernard (all-star as well as team MVP) recorded 10 shutouts during the season. Another all-star, Paula Lorenz, helped control the defensive end of the field.

Rhonda Drey was the leading scorer for the JV team. Chris Golden won the JV MVP award and served as back-up goalie for the varsity.

GIRLS SWIMMING

Fall 1988 was a season of excellence for the girls swim team. The seven wins were the most ever in a season. Ten different athletes qualified for post-season action at the Mass. South Sectional Swimming and Diving Championships. New school records were set by Sandi Farnham in the 200-yd. individual medley, by Tracy Ferrazzi in the 100-yd. freestyle, and by Maryrose Fahey in the 100-yd. breaststroke.

In the state finals, Sheila Chipman advanced furthest of all Stoughton athletes, finally placed 14th among all divers in the state.

At the end of the season, Tracy Ferrazzi was selected by her teammates as MVP. Sheila Chipman was named by conference coaches as a Southern Conference all-star.

SOCCER

The varsity soccer team, for the second straight year, finished with a less-than-admirable record. Despite the outstanding efforts of Hockomock League all-star John Gillis and the rest of the sturdy defense, success wasn't achieved often.

Coach Lucio Santos and the boys on the team had higher hopes for themselves, but unfortunately those hopes never materialized. However, captains Scott Boland and Roy Fraga were leaders in maintaining an upbeat approach to the season.

On a more positive note, the junior varsity team fared very well this season, finishing with a 10-4-1 record and 2nd place finish in their division. First year coach Alex Silva deserves much credit for the team's accomplishments.

GOLF

THE '88-89 golf team did exceptionally well this year with a record of 5 wins, 8 ties, and only 3 losses.

Capt. Chris Melendy was MVP and was named a member of the all-star team. Seniors Bob King, Yong Su Kim, and Scott Dykeman also contributed greatly in bringing victory to the team. Sophomores Steve Planeta, Dan Berman, and Dave Kovner won several matches against tough opponents. Junior Dana Rakvica, rounding out the squad, had an excellent record for the (Chuck) Vuytowecz — coached group.

Senior individual records: Melendy (capt.) 9-4-3; Dykeman, 6-8-2; King, 11-5; Kim, 7-5-4.

GIRLS SOCCER

Despite a season of losses, the girls soccer team made a great effort to stay competitive against tough odds.

Capt. Vicki Douvale kept the girls in high spirits. Goalie Kerry Dunn played well for the Knight booters in her first year in goal.

The team will sorely miss four-year veteran senior Evelyn Large next year. However, the members of the squad intend to continue next year, still seeking a season of wins for SHS girls soccer.

BASKETBALL

The Black Knights boys basketball team struggled through a 3-17 season. Capt. Mike Brilliant led a very small, inexperienced squad through a difficult Hockomock and non-league schedule. Despite the overall record, the team played most opponents very tough. Making significant contributions throughout the season were seniors Tony Blakely, Rob Dorney, Rob Florio, and Terry Stead.

Underclassmen gained valuable game experience. Junior Ryan Love emerged as an inside strength, while Jerome Williams and George McDaniel (a sophomore) displayed promise for next year for the John Douglas-coached squad.

After a slow beginning, the grapplers got on the right track and finished strong. The Knights had to tangle with some tough competition in the league, particularly Franklin and Foxboro. Four wrestlers qualified for the South Shore Sectionals: Silva, Matt Holt, Darren Stokes, and Gates.

The outlook for next season is very promising. Junior Don McGowan joins Gates, and sophomore Matt McLaughlin joins Holt to add veteran strength.

The girls varsity basketball team finished the 1988-89 season with a record of 3-17. Co-captains Kerry Tsinzo and Paula Lorenz led a relatively inexperienced team of players through a rough season. Each member of the team made substantial contributions in keeping the team competitive.

Leading scorer and MVP of this year's team was junior forward Mary Beth Gorman. Another junior, Colleen O'Connell, was a strong factor with her rapid dribbling and shooting technique.

Although this year's team suffered from a lack of experienced players, the prospect looks promising for the future with some superb combinations on the horizon.

BOYS SWIMMING

This past year, Stoughton had its first boys' swim team in school athletic history. Chris Brady, who has been involved in competitive swimming for many years, was the team's coach.

Though the team was not very powerful in its first season, they learned their events well and competed respectfully.

Individual accomplishments were chalked up by captain Stephen Tierney (MVP), Brian Schwartz, and Shawn Scannel. Other achievements were scored by freshmen Don Lewin, Bill Seaver, and Dave Kell. Divers Barry Carter and Mike Quasha rounded out the squad.

Sheila Chipman, Cristen Herlihy, Michelle Collins, and Jen Dennehy were the all-around competitors this year. Lisa Mallahan coached the team for her fourth season.

Jane Gitto was chosen MVP, competing in three events. The three seniors on the squad (Chipman, Herlihy, and Nicole D'Angelico) served as team captains.

BOYS TRACK

This year, **coach Todd Elwell's** indoor track team deserved credit despite a small squad. The team managed to split its six-meet season evenly winning over Mansfield (62-24), Franklin (46-40), and Canton (59-27), losing to North Attleboro (53-33), King Phillip (55-31) and Foxboro (67-19).

GIRLS TENNIS

The girls tennis team ended a successful season with a 9-7 record, only one win away from a tournament spot. A large squad of 17 participants worked under the tutelage of coach Russ Clough.

Senior Lauren Berman was joined as co-captain by junior Urmila Bajpai, who will also serve as captain next year along with Pam Berler.

Urmila was also named team MVP for the season.

The team seemed to have an ability to win the close ones, and prospects for the future are very bright. The immediate goal, according to Clough, is "to get into the tournament," and build from there.

BOYS TENNIS

One senior was on the large squad of 17 which greeted boys tennis coach Peter Greer. The senior, Dennis Kilgoar, served as captain with Ken Arbit.

Arbit will be captain next year, together with Brian Smith, of a team which seems to have a lot of potential. Basically a young team, the group concentrated on fundamentals, strategy, and concepts, managing to earn a 6-10 record in a learning year.

Brendan Ellis was team MVP.

Matt Holt '91 was at first singles, and had a record of 4-9, respectable for a young player when the strong competition he had to face is considered. Ellis was second singles, and Brian Smith at third singles. Arbit and Todd Cohen '91 played first doubles and chalked up a 10-3 record; second doubles, consisting of Kilgoar and Nelson Hermanageldo, split at 3-3.

STUDENT LIFE

There's an old poster on one of the classroom walls which reads: "What if we declared war and no one came?" In the same way, we can say, "What if a school were opened and no one came?" School is not a building. It is administration, faculty, coaches, advisors, custodians, kitchen personnel, librarians, aides, subs, and, above all, it is **students!**

Students take a lot of pleasure in saying, "We're important! Without us, there would be no sense in having school." Before, we get too blown away with our importance, just think that if students came, but no one else did, there would be no school.

And — if everyone came — and nothing was going on, ***there would be no school!*** By everything, we mean everything: Not just classrooms, but classes, filled with all kinds of courses, including the arts, the sciences, the industrial and domestic arts, the business arts, the creative arts . . .

AND — sports and clubs and student government

AND — time and opportunity to make and to keep friends for now and forever.

In short, everything that makes for a complete scholastic life! They're all shown in this book . . . and that's why we **dedicate this book to STUDENT LIFE AT STOUGHTON HIGH,** the ingredient which makes coming to this school worthwhile . . . ***we pay tribute to*** all of *them* who make this possible . . . ***we salute*** all of *us* who take advantage of it . . .

The 15th Annual Intramural Writing Competition saw a record-breaking number of juniors entered. The local competition is similar to that sponsored by the National Council of Teachers of English (NCTE) which is open to juniors in high schools throughout the country.

In the competition, each entrant must write for an hour on a topic he or she has not seen before. In addition to this impromptu writing, the student must complete the entry with a sample of his or her "best" writing which can be an essay, a short story, poetry, or drama.

The local entries are judged by members of the English Department. The judges select two NOMINEES who then compete against nominees from other high schools in Massachusetts in the same manner: submitting an entry consisting of another impromptu essay and a sample of "best" writing.

In 1989, the nominees were Kathy Fidler and Cinda Lavely; in 1988, the nominees were Brian Graber and Beth Hottinger.

Pregnant teens have choices

By HELENE STEINBERG and KRISTEN TOOLE

More than 1 million teenage girls in the United States become pregnant each year according to the book Having Children. (All

The second choice open to teens is adoption. This isn't too easy giving the child to strangers to raise. Yet the teen mother should realize that she is given a choice as to the adoptive parents. The teen mother may also receive

Julie Colaninno

TO THE CLASS OF 1989:

There comes a time in everyone's high school career to say goodbye. Unfortunately, the time has come.

We, the Class of 1989, have come a long way. Our four years at SHS have brought us together. Without the support of fellow classmates and faculty, we would not have been a success. We have worked together on various events such as fundraisers, our annual Halloween parties, and, of course, our victorious spirit week senior year.

We have supported each other through good times and bad. As a class, we have proven to be exceptional not only in academics, but also in athletics.

I would like to thank all of the students who have served as class officers these four years.

On behalf of the Class of 1989, I would like to thank our advisors, Mrs. Karen McSweeney and Mrs. Debra McHugh-Conrad, for all of their dedication and support.

It has been my privilege and pleasure to have served as your senior class president. The experience will stay with me always.

Yours truly,

Dear Class of '89:

Four years ago, when we were approached to be the advisors of your class, we were told you were an exceptional class and you are. Our four short years with you can be summed up in one expression of the times, "AWESOME!"

A look back over these past four years brings to mind all of our accomplishments: You leave SHS with two new traditions — the Halloween Party which began in your Freshman Year and successfully grew each year and the establishment of the King's Court at the proms. (Steve Tierney we will forever remember you as SHS's first King.) You leave a legacy of successful fund raisers, from sweatshirts and pants to teeshirts and keychains and, last but not least, M&M's. (We sold so many M&M's that the Mars Company has approached us to become saleswomen.) Because of all of these successful endeavors, you had a treasury that was large enough to provide you with a fantastic Senior Prom and Class Trip at over a 50% reduction in cost and two class gifts, one in your Junior Year (a Bulletin Display Case for the Senior Hall) and a new Trophy Case given on Class Night and most importantly four years of representing your school wherever you went with PRIDE AND CLASS.

Hopefully, some of the real life skills that we have taught you through fund raising, activity planning, and idea storming will be beneficial to you as you continue to become good citizens.

You have touched our hearts forever and this is something that we will always have with us.

May you all have happy, healthy and successful lives.

Fondly,

Deborah McHugh-Conrad
